

ENERGY WALL®

Window System

*energy*WELD™

Casement & Awning Windows

Casements

There's an EnergyWELD™ casement window to match any style of home. They seal "triple tight" to block out air and moisture, yet open to a full 90 degrees to allow easy cleaning.

A 7/8" PPG Intercept® Glass

Warm Edge technology for thermal performance

B Welded Frame & Sash Corners

fusion welded for superior strength

C Folding Handle

Lays nearly flat for blind clearance

Awning

EnergyWELD™ awning windows provide you with a ventilation option even during those rainy days. It is an ideal design for those "awkward sized" window openings.
